Paper Plate Masks

Supplies

Paper plate
Scissors
Scraps of colored construction paper
Colored pencils, markers, or crayons
Tape, glue, or glue stick
Straws or large craft sticks

Instructions

1. Use construction paper and colored pencils to make eyes, nose, mouth, horns, hair, teeth, etc.

2. Attach these features to the paper plate using tape or glue.

3. Choose a large plastic straw or craft stick and tape or staple it to the bottom of your mask to make a handle.

4. Hold the mask in front of your face and pretend you are a fierce or gentle guardian.
