

# Modigliani-Inspired Portrait Craft

## Supplies

Paper

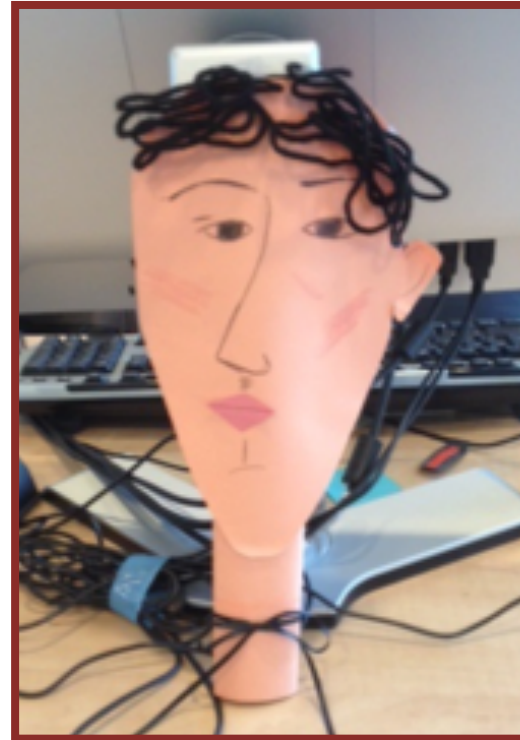

Scissors

Colored pencils, crayons,  
or markers

Yarn

Tape or glue

Ribbon

## Instructions

1. Draw an elongated oval shape on a piece of paper and cut it out. This will be the face.
2. Use colored pencils, crayons, or markers to draw eyes, nose, mouth, and ears. You can draw them on pieces of colored paper, cut them out, and tape or glue them to the face, if you prefer.
3. Tape or glue yarn to the face to create hair.
4. Select a piece of paper the same color as the face and roll it up to make a tube. Tape the edge to keep it from unrolling.
5. Tape or glue the rolled paper to the back of the face to create an elongated neck.
6. Tie a ribbon around the neck to create a bow tie. If you prefer, you can use the ribbon to make bows for your portrait's hair.
