

mosaic

Mosaic is shaped by creativity and guided by purpose. Every detail is intentional. Seasonal ingredients, sustainable choices, and the work of artisans define the experience. Each maker was chosen for their story, for the way their craft brings both function and beauty to the table. Like its namesake, every element at Mosaic is thoughtfully placed to form a larger composition that extends the Museum experience. Our hospitality celebrates contrast and connection, where culinary expression meets design. What feels effortless is built on care, creating experiences to be savored in the moment and remembered beyond it.
